STAY ALERT TO STAY SAFE

Dental practice services are available but we're having to prioritise people with the most urgent need.

We ask all visitors to self-screen before entering the building, to help lessen the spread of the virus.

PLEASE SELF-ISOLATE IMMEDIATELY, AND CALL 111 IF YOU:

Have a fever, cough, sore throat, runny nose, loss of taste, shortness of breath or have had contact with a person who has tested positive for COVID-19. For the latest Covid-19 advice please visit www.nhs.uk

If you have a dental concern, here's what to do:

- Contact the practice by phone or email.
- You'll be given advice or offered an appointment if appropriate.
- For urgent dental care you can also use the NHS 111 online service or call 111 if you can't get online.

Please DO NOT ENTER this practice unless you've been advised to. This will ensure the practice can continue to provide essential care safely.
